INTRODUCTION

REPORTING GUIDELINES

INTRODUCTION

Section 85(1) of the Municipal Act at the present time requires each municipality to publish in a newspaper having a general circulation within the municipality, or to have mailed or delivered to each ratepayer, a copy of the audited financial statements and auditor's report for the preceding year.

While this requires each municipality to report to its ratepayers annually, it has limitations in assisting the ratepayers to understand what they are receiving for the money they pay municipalities, primarily because the information presented is in a form not easily understood by the general public.

In December 1977, a committee made up of representatives from the Association of Municipal Clerks and Treasurers of Ontario, the Institute of Chartered Accountants of Ontario and the Municipal Budgets and Accounts Branch, Ministry of Intergovernmental Affairs, was formed to develop guidelines that would allow and encourage municipalities to report their financial operations in a more readily understandable and appealing form.

As a result of the recommendations developed by this Committee, the minimum reporting requirements to the public were revised to those specified in Section 2 of the predecessor publication of December 1978 by the then Ministry of Intergovernmental Affairs.

In February 1981, another committee made up of representatives from the Association of Municipal Clerks and Treasurers of Ontario, the Institute of Chartered Accountants of Ontario, and the Municipal Management Policy Branch, Ministry of Municipal Affairs and Housing developed and codified the accounting principles and standards for financial statement presentation for the annual audited financial report for Ontario municipalities. These principles and standards were published in May 1982 as the "Municipal Financial Reporting Handbook".

As a result the minimum reporting requirements were revised to comply with the Handbook and are contained in section 2 of this publication.

REPORTING GUIDELINES

Effective Date

The requirements in this publication come into effect for reporting, to the public, the municipal operations for 1983.

Municipal Responsibility

The legal requirement to have published or mailed or delivered a copy of the financial reports of the Municipality to every ratepayer is unchanged. However, the design of the format used to convey this financial information to the ratepayers and the level of sophistication of this information, beyond the minimum disclosure requirements, are decisions that are left to the discretion of each municipality. Under these guidelines, municipalities are given the flexibility to make such decisions, subject only to meeting the minimum disclosure requirements set out in Section 2 of this publication.

Applying Minimum Disclosure Requirements

The minimum disclosure requirements as set out in Section 2 have been established to ensure that at least a reasonable level of financial information is presented to the ratepayers. Under the minimum disclosure requirements every municipality must report on unusual or extraordinary items. For example, the receipt of significant proceeds from the sale of an asset, large amounts of revenue in the form of payments-in-lieu, unusual Federal grants or loans, abnormal expenditures on an activity that would not be identifiable under the major functional classification, are examples of information that would require reporting under the minimum disclosure guidelines. Material liabilities, over and above net debt, arising from contractual obligations, long term leases, lawsuits, and vested sick leave plans, etc., are examples of information requiring separate notes in addition to those specified in the minimum disclosure guidelines.

Rounding Off

Municipalities wishing to reduce the volume of data being presented may round off the dollar amounts to even dollars or to the nearest thousands of dollars.

Yearly Statements Still Required

The changes contained in this publication apply only to the format under which municipalities can report to their ratepayers. Municipalities are still responsible for preparing the Consolidated Financial Report and the Financial Information Return in the format set out by the Province.

Examples of Reporting Formats

As an aid to municipalities in developing their own reporting format, we have prepared hypothetical examples of Reports to the Public that might be used in whole or in part. In doing this, we were guided by reporting practices already in use in some municipalities in Ontario. These examples are set out in Section 3, Appendices A to H.

For purposes of illustrating the degree of flexibility available to municipalities, the extent of disclosure and the specific contents vary from one example to another.

For purposes of the sample 1983 reports in this publication, it is assumed that the requirements have been in place for a number of years. Accordingly neither the auditor's reports or the notes to the financial statements make reference to changes in accounting policy. Similarly there is no note with respect to anti-inflation legislation.

Minimum Disclosure

Appendix A for lower-tier municipalities, and appendix B for upper-tier municipalities, illustrate one way for the municipalities that wish to limit their presentation to the minimum disclosure requirements as set out in Section 2.

- for both the lower tier and upper tier municipalities, the expenditures (or revenues) do not include transfers to (or from) reserves and reserve funds, or to (or from) the capital fund.

- for both the lower tier and upper tier municipalities, the revenues (or expenditures) include entries which in the books and records have been credited (or charged) directly to reserve funds.

Moderate Level of Disclosure

Examples of Reports to the Public that go beyond the minimum disclosure requirements are contained in appendix C for lower-tier municipalities and appendix D for upper-tier municipalities. These attempt to eliminate the formality and technical language normally associated with financial statements. The sources of revenues have been reported in greater detail and activities have been used in place of the major functional headings for expenditure identification.

- for the lower tier municipality transfers to (or from) reserves, reserve funds and the capital fund are netted from expenditures.
- for the upper tier municipality these transfers are included in the specific item of expenditure, and then deducted in total.

Expanded Level of Disclosure

Examples of Reports to the Public that significantly exceed the minimum reporting requirements are illustrated in appendix E and appendix F for lower and upper-tier municipalities respectively. In these examples the financial operations for the year have been presented with the aid of graphics. They also contain a management report from the head of council. This type of narrative comment is becoming very popular and provides an excellent vehicle for highlighting particular activities of the municipality for the preceding year. This format may cost more, but will probably be more successful in gaining the interest of a higher proportion of ratepayers. Circumstances vary among municipalities and municipal treasurers may wish to use their ingenuity in developing other expanded forms that meet the disclosure requirements.

- for both the lower tier and upper tier municipalities, the financial information relates to the individual financial statements for the separate funds.

Extracts from Financial Reports

Appendices G and H reproduce hypothetical Financial Reports that were used in preparing the examples.

A municipality may, instead of publishing the extracts, publish the Consolidated Statement of Operations, A Consolidated Balance Sheet, Notes to the Financial Statements, Auditor's Report, and the Mill Rate information for the current and previous year. Continuation of this type of presentation as a Report to the Public satisfies the minimum disclosure requirements and may be the most convenient way of fulfilling a municipality's reporting obligations. But it may also mean that the municipality has missed an opportunity to convey its stewardship responsibilities to its ratepayers in a clear, concise and meaningful format.

MINIMUM DISCLOSURE REQUIREMENTS

MINIMUM DISCLOSURE REQUIREMENTS

As a minimum, each municipality in Ontario will report to its inhabitants each year the following information from its audited annual Consolidated Financial Report:

A. Corporate Name

The official name of the municipality with a reference as to the year being reported.

B. Mill Rates

Current and previous year's average commercial and industrial, and average residential and farm mill rates for:

- general municipal purposes;
- county or regional purposes; and
- school board purposes.

(Counties and Regions will not report this information.)

**C. Consolidated Operations
Sources of Financing**

Actual current year, budgeted current year, and actual previous year revenue fund revenues from:

- taxation (Counties and Regions, and the District of Muskoka will show the requisitions on supporting municipalities);
- taxation from other governments;
- user charges;
- Ontario grants;
- any other significant items; and
- other income.

**D. Consolidated Operations
Current and Capital Operations**

Actual current year, budgeted current year, and actual previous year's expenditures

- by major function for current expenditures
- by major function or project for capital expenditures.

E. Reserves and Reserve Funds

Actual current year and actual previous year's total reserves and reserve funds as set out in the notes to the financial statements.

F. Trust Funds

Actual year-end and actual previous year-end balance of trust funds under administration by the municipality.

G. Sinking Funds

Actual year-end and actual previous year-end total balance of the municipality's sinking funds.

H. Year-end Position

Actual year-end and previous year-end balances for:

- cash and short-term investments;
- taxes receivable;
- accounts receivable;
- assets of reserves fund segregated and separately disclosed from other assets;
- temporary loans;
- accounts payable;
- long-term liabilities; and
- municipal fund balances as defined in the Municipal Financial Reporting Handbook.
- any other significant items.

I. Auditor's Report

A notice that the audited Consolidated Financial Report of the municipality with a copy of the Auditor's Report thereon is available at a central location(s).

Note: Although the municipality is not required to publish the Auditor's Report, it must give the auditor an opportunity to review the material to be published, and must publish at the same time, together with the Report to the Public, any objection that the municipal auditor has to the Report to be published.

J. Basis of Consolidation

The extent to which the operations and assets and liabilities of the municipality and its local boards have been consolidated in the audited Consolidated Financial Report, listing all the local boards that have been consolidated.

A list of the local boards of the municipality that have not been consolidated in the audited Consolidated Financial Report and the address where copies of these reports and the respective Auditor's Reports may be examined.

NOTES

- (1) The 1983 financial report consolidates the operations, assets and liabilities of the Township and its local boards and municipal enterprises as follows: Ontario Community Park Board, Memorial Community Centre, Ontario Centennial Library Board, and Greenwood Cemetery Board.
- (2) The local boards, enterprises, and other entities of the Township whose revenues and expenditures have not been consolidated in the 1983 financial report are: Police Village of Franklin, Franklin Hydro-Electric Commission, The Ontario-Jefferson Joint Community Centre, and The Ontario-Jefferson Home for the Aged.
- (3) The above data has been extracted from the audited 1983 Consolidated Financial Report of the Township and its local boards as described in Note 1. Copies of the 1983 Consolidated Financial Report and the auditor's report thereon, or the audited financial statements for the local boards, enterprises, and other entities not consolidated (see Note 2) are available at the Township Offices to any resident who wishes to review or analyze the financial operations of the Township in greater detail.
- (4) Included in the expenditures for current operations are principal charges for the retirement of long term debt of \$32,026 (\$21,063 in 1982) and interest charges of \$16,917 (\$17,956 in 1982).

. Other revenue	1,000	-	-	-
. Requisitions paid	234,766	222,526	819,085	731,936

- (2) The capital acquisitions or improvements undertaken by the Township are significant expenditures for land, buildings, structures and equipment. For an expenditure to be classified as a capital acquisition or improvement, the benefit from the expenditure should last more than one year.
- (3) The property tax amounts received for capital acquisitions or improvements were raised by the Township's annual levy for capital purposes. This levy was set at 4.5 mills in 1983 and 1982.
- (4) Of the actual expenditure for current operations shown above, the following amounts were not under the direct control of Council:

	1983 \$	1982 \$

Notes:

- (1) The historical cost and accumulated depreciation of fixed assets is not reported for municipal purposes. Instead, the only fixed asset cost reported is the "Capital outlay of the municipality not repaid" which is the total of the principal portion of unmatured long-term debt less the amount of sinking funds accumulated to retire the outstanding debt.
- (2) Details of "amounts set aside for specific purposes" are as follows:

Reserves

	1983 \$	1982 \$
For working capital	12,500	-
For recreation facilities	5,213	5,213

	<u>254,975</u>	<u>254,975</u>
	<u>315,688</u>	<u>288,188</u>

- (3) The Greenwood Perpetual Care and the Township Memorial Arena Trust Funds having 1983 year-end balances of \$80,450 (\$78,300 in 1982) have not been included in the assets of the Township, since these funds are not available for general municipal purposes.

GENERAL NOTES

1. The 1983 financial report consolidates the operations, assets and liabilities of the Township and its local boards and municipal enterprises as follows: Ontario Community Park Board, Memorial Community Centre, Ontario Centennial Library Board, and the Greenwood Cemetery Board.
2. The financial highlights presented have been basically extracted from the audited 1983 Consolidated Financial Report of the Township and its local boards as described in Note 1. The terminology contained in the Consolidated Financial Report has been modified and expanded in order that you might appreciate more fully the nature of our operations.
4. Copies of the 1983 audited Consolidated Financial Report are available from the Township Treasurer for any resident who wishes to review or analyze the financial operations of the Township in greater detail.
2. The local boards, enterprises, and other entities of the Township whose revenues and expenditures have not been consolidated in the 1983 financial report are: Police Village of Franklin, Franklin Hydro-Electric Commission, The Ontario-Jefferson Joint Community Centre, and The Ontario-Jefferson Home for the Aged. Copies of the audited financial statements for these entities can be obtained from the Township Treasurer.

REGIONAL MUNICIPALITY OF ALLENTON

MESSAGE FROM THE CHAIRMAN

I am pleased to present to you this summary of the financial operations of the Region of Allenton for 1983.

This summary includes the operations and assets and liabilities of the Regional Municipality of Allenton and the Allenton Museum Board, the Allenton Board of Health, and the Allenton Waterworks System. This information, including the explanatory notes, has been extracted from the audited financial records of the municipality.

Copies of the audited financial report of the Regional Municipality of Allenton are available from the Region's offices, at 140 Water Street, Allenton, Ontario.

The Allenton Regional Home for the Aged and The Allenton Joint Community Centre have not been consolidated. Copies of the individual audited financial reports for these are also available at the Region's offices.

The goal of the Regional Council is to provide a high level of services to the residents of the Region at the lowest possible cost. I would encourage citizens and taxpayers to contact their regional councillors or the regional offices if they would like more information on our activities. Regional Council meetings are held at the Regional Administration Building every Monday night.

T. W. Frank
Chairman

Notes:

- (1) The historical cost and accumulated depreciation of fixed assets is not reported for municipal purposes. Instead, capital outlay to be paid from future municipal revenues is reported and is the aggregate of the principal portion of outstanding long-term debt.
- (2) Trust funds administered by the Region amounting to \$1,159,404 in 1983 (\$1,082,913 in 1982) are not reflected in this financial summary.
- (3) Under the Regional Municipality of Allenton Act, the Region has assumed the responsibility of the former local municipalities in agreements with the Ontario Water Resources Commission and the Ministry of the Environment for the provision and maintenance of water and sanitary sewage systems. These agreements are being renegotiated at the present time to reflect the change in legislation and operations. In 1983, payments under these agreements were \$964,833.
- (4) Under the sick leave benefit plan, unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the municipality's employment. The liability for these accumulated days, to the extent that they have vested and could be taken in cash by employees on terminating, amounted to \$528,728 at the end of the year. To date, \$106,693 has been provided to offset this future liability.

TOWNSHIP OF ONTARIO

1983 REPORT TO THE RESIDENTS OF THE TOWNSHIP OF ONTARIO

REEVE'S MESSAGE**Property Tax Levies:**

- o Your 1983 tax bill reflects an overall net increase in the mill rate of 8.3%. Although this increase is not below the rate of inflation occurring in 1983, you should be aware that the costs of providing municipal services have increased more than the rate of inflation. We suggest, therefore, that this 8.3% increase reflects the continuing responsible attitude taken by your Council in introducing good, sound administrative, fiscal and planning policies during the year.
- o The financial information contained in this report pertains to the direct operations of the Township. However, it should be noted that the Township also collects from its ratepayers the levy requirements for the County of Jefferson and the three school boards operating within the Township. Your Township Council has no direct control as to the amounts requisitioned and therefore levied to meet County and school purposes.
- o Present development within the Township will increase the Township's assessment base and should eliminate the need to increase Township mill rates in 1984.

Official Plan:

After incorporating all of the recommendations/input received from ratepayer groups, the plan was officially approved by your Council in June, 1983 and forwarded to the Minister of Municipal Affairs and Housing to obtain Provincial approval.

Zoning By-Laws:

An interim land use zoning by-law was introduced in May of 1982. A permanent zoning by-law is being drafted now with the assistance of an \$8,500 planning grant from the Ministry of Municipal Affairs and Housing and should be ready for circulation to all ratepayers by April 1984.

Building By-Laws:

A new building by-law was introduced in April and two by-law enforcement inspectors were hired on a part-time basis to ensure Township by-laws relating to building land use, sanitation sites, building code stipulations, parking, etc. are adhered to.

Fire Prevention:

As part of our program to improve the effectiveness of our volunteer fire department, a new auxilliary vehicle was purchased to assist in transporting portable pumps and other equipment.

Roads:

- o We have now completed the second year of our five year program with the Ministry of Transportation and Communications to upgrade our main arterial roads. In 1983 improvements were made to several sections of High Falls Road, Dorset Road and Jackson Road. This program is proceeding according to plan and will ultimately reduce our annual road maintenance costs.
- o According to our equipment replacement policy, one new dump truck complete with snow plow was purchased to replace a 1975 model.
- o Throughout 1983 we continued to maintain our established grading policy of every three weeks for all roads.

Memorial Community Centre:

- o A considerable proportion of Council's efforts in 1983 was devoted to overseeing the construction of this dual purpose facility and ensuring it would be operational during 1983. It will be used year round as a facility for hockey, figure skating, public skating and lacrosse, not to mention the special events occurring at the community hall. Capital expenditures in 1983 totalled approximately \$400,000 and we would expect that with an additional expenditure of approximately \$125,000 in 1984 all aspects of this complex will be functional.
- o It is also noteworthy that with the anticipated help of Wintario assistance, developer's contributions and contributions from current operations, no portion of the remaining capital costs will be debentured.

The preceding highlights some of the major activities undertaken on your behalf in 1983. This year will be remembered as the year the Township constructed and opened the Memorial Community Centre -a facility which will provide recreation and community services for many years in the future.

If you have any specific concerns regarding any activity within the Township, we welcome your comments and enquiries and remind you that Council and Township staff are here for the express purpose of servicing the ratepayers and residents of the Township.

Yours sincerely,

Andrew Jackson,
Reeve.

1983-82 AVERAGE HOUSEHOLD TAXES

What the Average Residential Taxpayer Contributed in 1983 Towards Tax Supported Services

The above illustration is intended to show the 1983 cost of municipal services for a Township homeowner who is a public school supporter, having the average assessed value on a house and lot of \$2,922. Using this assessment base, the average residential tax burden per household was as follows:

	1983	1982	Increase
	\$	\$	\$
Township purposes	72	71	+ 1
County purposes	41	41	-
Education purposes	255	227	+28
	<u>368</u>	<u>339</u>	<u>+29</u>

The above 1983 taxation per household of \$368 (1982-\$339) is for a public school supporter living in the rural area. Comparable amounts for taxation per household for separate school supporters are \$362 in 1983 and \$339 in 1982. For those receiving garbage collection and sewage and water services, an additional charge of \$12 and \$24 respectively would apply.

The average taxes reported above represent total taxes payable before consideration of tax credits under the Ontario Tax Credit program or tax relief provisions to elderly ratepayers under the Municipal Elderly Resident's Assistance Act.

Notes:

- (1) The capital acquisitions and capital improvements undertaken by the Township are significant expenditures for land, buildings, structures and equipment. For an expenditure to be classified as a capital acquisition or improvement, the benefit from the expenditure should last more than one year.
- (2) The property tax amounts received for capital acquisitions and improvements were raised by the Township's annual levy for capital purposes. This levy was set at 4.5 mills in 1983 and 1982. Your Council has continued its policy to eliminate reliance on debenture financing. Long-term liabilities as at December 31, 1983 amounted to \$94,604 (1982 balance was \$116,630).
- (3) In addition, the Township incurred only \$10,000 in long-term liabilities on behalf of the Memorial Community Centre. Repayment of this debt will be recovered from charges made by the Centre and not from general taxation levies of the Township.

General Notes

1. The 1983 Consolidated Financial Report consolidates the operations, assets and liabilities of the Township and its local boards and municipal enterprises as follows: Ontario Community Park Board, Memorial Community Centre, Ontario Centennial Library Board, and the Greenwood Cemetery Board.
2. The financial highlights presented have been basically extracted from the audited 1983 Consolidated Financial Report of the Township and its local boards as described in Note 1. The terminology contained in the Consolidated Financial Report has been modified and expanded in order that you might appreciate more fully the nature of our operations.
3. Copies of the 1983 audited Consolidated Financial Report are available from the Township Treasurer for any resident who wishes to review or analyze the financial operations of the Township in greater detail.
4. The local boards, enterprises and other entities of the Township whose revenues and expenditures have not been consolidated in the 1983 Consolidated Financial Report are: Police Village of Franklin, Franklin Hydro-Electric Commission, The Ontario-Jefferson Joint Community Centre, and The Ontario-Jefferson Home for the Aged. Copies of the audited financial statements for these entities can be obtained from our Township Treasurer.
5. The preceding represents a significant change in the format of information provided annually to inform you of the results of the previous year, as required by Provincial Statutes. We trust this additional information provides a greater insight into the Township operations during 1983.

REGIONAL MUNICIPALITY OF ALLENTON

MESSAGE FROM THE CHAIRMAN

As Chairman, I am pleased to present this summary of the 1983 financial operations of the Regional Municipality of Allenton, and welcome this opportunity to comment on developments in 1983.

This format of the financial summary has been changed for 1983 to make it more interesting and readable. I hope you find this new format more informative.

Current Fund Operations:

Current operating expenditures in 1983 were \$16,560,493 up \$1,140,146 or 7.4% over 1982 but still \$166,277 less than budgeted. This reflects the cost conscious attitude of council. While expenditures for services considered vital to the welfare of the community, such as police and roads, were at or above those budgeted, expenditures for less essential services, which have been combined in other expenditures in this financial summary, were tightly controlled and totalled \$1,616,550 (or 7% below budget).

The increase in expenditures was achieved with only a \$362,708 increase in the levy on supporting municipalities, which is the amount ultimately borne by the ratepayers of the Region. The remainder of the increased expenditures was financed from \$215,452 of previous year's surplus taken into revenue and \$456,733 transferred from the reserve for working funds and contingencies.

Capital Fund Operations:

The continuing program of rebuilding regional roads and expanding and replacing the water and sewage systems again comprised most of our capital expenditures. It is expected that these heavy capital expenditures will continue for the next few years as the Region upgrades the road, water and sewage systems it assumed from the former municipalities. During the year the Region issued \$2,560,261 in debentures to pay for these projects. This will result in additional debt charges of approximately \$350,000 annually during the next 10 years.

Reserves and Reserve Funds

It is the policy of the Region to have all new development pay for the installation of its own capital services, so that it will not result in any charges to the Region. During 1983 \$245,711 was collected from developers to offset costs arising from new development. At the year-end \$836,524 was on hand for this purpose.

At the year-end \$1,070,997 remained in the reserve for working funds and contingencies. This has been determined to be the prescribed amount required by the Region and will not be available to reduce the tax burden in future years.

Assessment:

Assessment growth in 1983 continued at a steady 3.4%. This orderly growth, which expands our tax base, without placing extraordinary servicing costs on the Region or threatening the character of our established communities, has been encouraged by the Region. Ontario Municipal Board approval of the Region's Official Plan, which should assure this pattern of controlled growth, is expected in 1984.

The goal of the Regional Council is to provide a high level of services to the residents of the Region at the lowest possible cost. I would encourage citizens and taxpayers to contact their regional councillors or the regional offices if they would like more information on our activities.

T. W. Frank
Chairman

Notes:

- (1) The current operations above highlight all the expenditures for the day-to-day running of the Region and the revenues raised to finance those expenditures.
- (2) Of the actual expenditures for current operations shown above, the following amounts were not under the direct control of Council:

	1983 \$	1982 \$
Conservation authority requisition	10,000	9,500
The Allenton Regional Home for the Aged	60,000	45,000
The Allenton Joint Community Centre	<u>20,000</u>	<u>16,000</u>
	<u>90,000</u>	<u>70,500</u>

- (3) Included in the expenditures for current operations are principal charges for the retirement of long-term debt of \$822,235 (\$713,543 in 1982) and interest charges of \$963,490 (\$873,754 in 1982).

SUMMARY OF CAPITAL FUND OPERATIONS

The Capital Fund records the acquisition of assets with a life of more than one year.

	1983 Actual	1983 Budget	1982 Actual
	\$	\$	\$
Capital assets acquired:			
Protection to persons and property:			
- purchase and equipping police vehicles, new vehicles for building inspectors	280,264	270,000	216,380
Roadways:			
- road and bridge construction and purchase of road maintenance equipment	2,069,352	2,144,000	1,428,139
Environmental services:			
- installing new sewage collectors and water transmission lines	2,251,014	2,200,000	1,685,940
Other assets	363,570	361,000	21,525
How the acquisition of capital assets was financed:			
Long-term debt issued during the year to be repaid out of future revenues	2,560,261	2,500,00	1,605,598
Ontario grants to offset the cost of capital asset acquisition	1,811,848	1,800,000	1,528,325
Current revenues used to pay for capital assets	1,126,732	1,200,000	890,875
Transferred from reserve funds	109,109	110,000	87,348
Other financing	54,709	60,000	6,477

At the year-end \$153,945 in capital purchases had not yet been permanently financed. This was down from \$852,404 at the end of 1982.

The capital acquisitions or improvements undertaken by the Region are significant expenditures for land, buildings, structures and equipment. For an expenditure to be classified as a capital acquisition or improvement, the benefit from the expenditure should last more than one year.

SUMMARY OF RESERVE AND RESERVE FUND OPERATIONS

TOWNSHIPOFONTARIOAUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Ontario:

I have examined the consolidated balance sheet of the Corporation of the Township of Ontario as at December 31, 1983 and the consolidated statement of operations for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these consolidated financial statements present fairly the financial position of the Township of Ontario as at December 31, 1983 and the results of its operations for the year then ended in accordance with the accounting principles prescribed for Ontario Municipalities applied, on a basis consistent with that of the preceding year.

TOWNSHIP OF ONTARIO

NOTES TO THE FINANCIAL STATEMENTS

for the year ended December 31, 1983

1. Accounting Policies

(a) Basis of Consolidation

(i) Consolidated Balance Sheet

This statement reflects the assets and liabilities of the revenue fund, reserve funds, the capital fund and includes the activities of all committees of Council and the following local boards which are under the control of council:

Memorial Community Centre
Ontario Community Park Board
Ontario Centennial Library Board
Greenwood Cemetery Board

(ii) Consolidated Statements of Operations

This statement reflects the consolidated sources of financing and expenditures of the revenue fund, reserves, reserve funds, and the capital fund of the municipality and those local boards described in note 1 (a)(i).

(iii) Non-consolidated Entities

For those local boards, municipal enterprises, and utilities of the municipality which are not consolidated, the "Consolidated Balance Sheet" does not reflect their assets or liabilities except to the extent of the long term liabilities to be recovered from general taxation, and of amounts due to or from those entities. The "Consolidated Statement of Operations" does not reflect their revenues and expenditures except to the extent of the municipality's contribution to those entities.

Those entities which are not consolidated are as follows:

Police Village of Franklin
Franklin Hydro-Electric Commission
The Ontario-Jefferson Joint Community Centre
The Ontario-Jefferson Home for the Aged

(iv) County and School Boards

The taxation, other revenues, expenditures, assets and liabilities with respect to the operations of the school boards, and the County of Jefferson are not reflected in these financial statements except to the extent that overlevies (underlevies) are reported on the "Consolidated Balance Sheet" as "other liabilities" ("other current assets").

(v) Trust Funds

Trust funds and their related operations administered by the municipality are not consolidated, but are reported separately on the "Trust Funds Statement of Continuity" and "Balance Sheet".

NOTES TO THE FINANCIAL STATEMENTS (cont'd)

(b) Basis of Accounting

(i) Sources of financing and expenditures are reported on the accrual basis of accounting with the exception of principal and interest charges on long term liabilities which are charged against operations in the periods in which they are paid. The principal and interest charges are not accrued for the period(s) from the date(s) of the latest installment payment(s) to the end of the financial year.

(ii) The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(iii) Capital Outlay Financed by Long Term Liabilities and to be Recovered in Future Years

The historical cost and accumulated depreciation of fixed assets are not reported for municipal purposes. Instead the "Capital outlay financed by long term liabilities and to be recovered in future years", which represents the outstanding principal portion of unmatured long term liabilities for municipal expenditures or capital funds transferred to other organizations, is reported on the "Consolidated Balance Sheet".

(iv) Long-term liabilities include debentures issued in United States currency, recorded at the exchange rates prevailing when the proceeds in U.S. funds were received. Gains and losses on foreign currency transactions are charged to operations when they are realized.

2. Operations of School Boards and the County of Jefferson

Further to note 1 (a) (iv), the taxation, other revenues, expenditures and overlevies (underlevies) of the school boards and the County of Jefferson are comprised of the following:

	<u>School Boards</u>	<u>County</u>
Taxation and	\$ 819,102	\$ 185,923
Grants	-	58,145
Other revenue	-	1,000
	<u>819,102</u>	<u>245,068</u>

the beginning of the year	-	16,774
Overlevies (underlevies) at the		
end of the year	<u>\$ 17</u>	<u>\$ 27,076</u>

These revenues and expenditures are not reflected in the "Consolidated Statement of Operations".

The overlevies at the end of the year are reported as other current liabilities on the "Consolidated Balance Sheet".

NOTES TO THE FINANCIAL STATEMENTS (cont'd)

3. Contributions to Unconsolidated Joint Boards

Further to note 1 (a) (iii), the assets and liabilities of unconsolidated joint boards have not been consolidated and are not reported on the "Consolidated Balance Sheet", except to the extent of the long term liabilities to be recovered from general taxation, and of amounts due to or from those boards.

The operations of these joint boards have also not been consolidated. The "Consolidated Statement of Operations" includes only the following contributions made by the municipality to those boards:

	<u>1983</u>	<u>1982</u>
The Ontario-Jefferson Joint Community Centre	\$ 5,000	\$ 4,000
The Ontario-Jefferson Home for the Aged	<u>1,000</u>	<u>1,000</u>
	<u>\$ 6,000</u>	<u>\$ 5,000</u>

The municipality is contingently liable for its share, which is approximately 20% and 10% respectively of the accumulated deficits to the end of year for these boards:

	<u>1983</u>	<u>1982</u>
The Ontario-Jefferson Joint Community Centre	\$ 9,000	\$ 2,000
The Ontario-Jefferson Home for the Aged	<u>5,000</u>	<u>-</u>
	<u>\$ 14,000</u>	<u>\$ 2,000</u>

The municipality is also contingently liable for its share, which is approximately 20% and 10% respectively of the long term liabilities issued by other municipalities for these boards.

	<u>1983</u>	<u>1982</u>
The Ontario-Jefferson Joint Community Centre	\$ 30,000	\$ 15,000
The Ontario-Jefferson Home for the Aged	<u>-</u>	<u>10,000</u>
	<u>\$ 30,000</u>	<u>\$ 25,000</u>

4. Trust Funds

Trust funds administered by the municipality amounting to \$80,450 (1982 \$78,300) have not been included in the "Consolidated Balance Sheet" nor have their operations been included in the "Consolidated Statement of Operations".

5. Investments

The total of investments of \$200,500 (1982 \$219,000) recorded on the "Consolidated Balance Sheet" at cost, have a market value of \$190,500 (1982 \$205,000) as at the end of the year.

NOTES TO THE FINANCIAL STATEMENTS (cont'd)

6. Liability for Past Service Provision of Pension Agreements

Under the past service provision of pension agreements, the municipality is obligated at December 31, 1983 for an amount of approximately \$20,000 (1982 18,000) as established for the plans. No provision has been made for this liability. This liability will be funded by annual installments of \$4,000 each for the next five years.

7. Liability for Vested Sick Leave Benefits

Under the sick leave benefit plan, unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the municipality's employment.

The liability for these accumulated days, to the extent that they have vested and could be taken in cash by an employee on terminating, amounted to \$47,500 (1982 \$45,000) at the end of the year. An amount of \$10,000 (1982 \$7,500) has been provided for this past service liability and is reported on the "Consolidated Balance Sheet". An amount of \$2,500 (1982 \$2,000) has been provided for the current year and is reported on the "Consolidated Statement of Operations". The balance of this liability will be funded by annual installments of \$5,000 each for the next ten years.

8. Net Long Term Liabilities19831982

(a) The balance of net long term liabilities reported on the "Consolidated Balance Sheet" is made up of the following:

- Total long term liabilities incurred by the municipality including those incurred on behalf of school boards, other municipalities and municipal enterprises and outstanding at the end of the year amount to \$ 665,204 \$ 720,030
- In addition, the municipality has assumed responsibility for the payment of principal and interest charges on certain long term liabilities issued by other municipalities. At the end of the year, the outstanding principal amount of this liability is 10,000 12,000
- Of the long term liabilities shown above, the responsibility for payment of principal and interest charges has been assumed by unconsolidated local boards, municipal enterprises and utilities, and other municipalities. At the end of the year, the outstanding principal amount of this liability is (540,000) (573,300)
- Of the long term liabilities shown above, the responsibility for payment of principal and interest changes for tile drainage and shoreline property assistance loans has been assumed by individuals. At the end of the year, the outstanding principal amount of this liability is (22,100) (25,600)

NOTES TO THE FINANCIAL STATEMENTS (cont'd)

• The balance in the Ministry of the Environment Debt Retirement Fund which has been accumulated to the end of the year to retire the outstanding long term liabilities included above, amount to	(18,500)	(16,500)
• Net long term liabilities at the end of the year	<u>\$ 94,604</u>	<u>\$ 116,630</u>

(b) Of the net long term liabilities reported in (a) of this note, \$40,000 in principal payments are payable from 1984 to 1988, \$44,604 from 1989 to 1993, and \$10,000 thereafter and are summarized as follows:

	1984 to 1988	1989 to 1993	1994 and thereafter
from general municipal revenues	\$ 23,100	\$ 25,000	\$ 6,000
from benefitting landowners	3,900	4,200	1,000
from consolidated municipal enterprises	<u>13,000</u>	<u>15,404</u>	<u>3,000</u>
	<u>\$ 40,000</u>	<u>\$ 44,604</u>	<u>\$ 10,000</u>

(c) Included in "Net long term liabilities" on the "Consolidated Balance Sheet" is an amount of \$20,000 (1982 \$22,000) payable in United States currency which was converted into Canadian dollars at the rate of exchange prevailing when the liability was incurred. If the liability is converted into Canadian dollars at the exchange rate prevailing at December 31, 1983, the liability would be increased by \$1,000 (1982 \$1,200).

(d) Approval of the Ontario Municipal Board has been obtained for the long term liabilities reported on the "Consolidated Balance Sheet".

9. Municipal Fund Balances at the end of the year

(a) The total on the "Consolidated Statement of Operations" of municipal fund balances of \$26,156 (1982 deficit of \$3,162) at the end of the year is comprised of the following:

To be used to offset (or to be recovered from) taxation or user charges	1983	1982
• for general reduction (increase) of taxation	\$ 8,270	\$ (14,490)
• for general reduction (increase) of user charges	(9,250)	12,290
• for benefitting landowners related to special charges and special areas	<u>6,297</u>	<u>(962)</u>
	<u>\$ 5,317</u>	<u>\$ (3,162)</u>

NOTES TO THE FINANCIAL STATEMENTS (cont'd)

Unexpended capital financing		
. acquisition of fixed assets to be recovered through taxation or user charges	(1,839)	(6,252)
. acquisition of fixed assets to be financed from the proceeds of long term liabilities	(5,000)	
. acquisition of fixed assets to be recovered through reserves and reserve funds	(4,000)	(2,000)
. funds available for the completion of current projects	31,678	8,252
	<u>\$ 20,839</u>	<u>\$ -</u>
	<u>\$ 26,156</u>	<u>\$ (3,162)</u>

(b) Approval of the Ontario Municipal Board has been obtained for the pending issue of long term liabilities and for those commitments to be financed from revenues beyond the term of Council.

10. Reserves and Reserve Funds

The total balance on the "Consolidated Balance Sheet" of reserves and reserve funds of \$315,688 (1982 \$288,188) is made up of the following:

	<u>1983</u>	<u>1982</u>
Set aside for specific purposes by Council		
. for recreation facilities	5,213	5,213
. for acquisition of other fixed assets	\$ 33,000	\$ 20,500
. for working capital	12,500	-
. for vested sick leave benefits	<u>10,000</u>	<u>7,500</u>
	<u>\$ 60,713</u>	<u>\$ 33,213</u>

	<u>\$ 254,975</u>	<u>\$ 254,975</u>
	<u>\$ 315,688</u>	<u>\$ 288,188</u>

11. Charges for Net Long Term Liabilities

Total charges for the year for net long term liabilities which are reported on the "Consolidated Statement of Operations" are as follows:

NOTES TO THE FINANCIAL STATEMENTS (cont'd)

	<u>1983</u>	<u>1982</u>
. Principal payments including contributions to sinking funds and to the Ministry of the Environment Debt Retirement Fund	\$ 32,026	\$ 21,693
. Interest	<u>16,917</u>	<u>17,957</u>
	<u>\$ 48,943</u>	<u>\$ 39,650</u>

The charges for long term liabilities assumed by the non-consolidated entities are not reflected in these statements.

12. Contingent Liabilities

The municipality is contingently liable for long term liabilities with respect to tile drainage and shoreline property assistance loans, and for those for which the responsibility for the payment of principal and interest has been assumed by other municipalities, school boards and unconsolidated local boards, municipal enterprises and utilities. The total amount outstanding as at December 31, 1983 is \$562,100 (1982 \$598,900) and is not recorded on the "Consolidated Balance Sheet".

13. Nonaccrual of Interest on Long Term Liabilities

No provision has been made in these financial statements for the accrual of interest on the net long term liabilities. Had this provision been made the municipal fund balances as at December 31st, 1983 would have been decreased by \$2,000 (1982 \$2,600).

14. Contractual Obligations

By agreement the municipality is leasing garage space for a ten year period from April 15, 1977 to April 15, 1987. The base rent per year is \$1,800 with an escalator clause to compensate for increased maintenance and utility costs over the base year of 1977.

TOWNSHIPOFONTARIOAUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Township of Ontario:

I have examined the balance sheet of the trust funds of the Corporation of the Township of Ontario as at December 31, 1983 and the statement of continuity of trust funds for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the trust funds for the Corporation of the Township of Ontario as at December 31, 1983 and the continuity of trust funds for the year then ended in accordance with accounting principles prescribed for Ontario Municipalities applied on a basis consistent with that of the preceding year.

REGIONAL MUNICIPALITY OF ALLENTON

NOTES TO THE FINANCIAL STATEMENTS
for the year ended December 31, 19831. Accounting Policies(a) Basis of Consolidation

(i) Consolidated Balance Sheet

This statement reflects the assets and liabilities of the revenue fund, reserve funds, the capital fund and includes the activities of all committees of Council and the following local boards, municipal enterprises and utilities which are under the control of council:

Allenton Museum Board
Allenton Board of Health
Allenton Waterworks System

(ii) Consolidated Statements of Operations

This statement reflects the consolidated sources of financing and expenditures of the revenue fund, reserves, reserve funds, and the capital fund of the municipality and those local boards, municipal enterprises and utilities described in note 1 (a)(i).

(iii) Non-consolidated Entities

For those local boards, municipal enterprises, and utilities of the municipality which are not consolidated, the "Consolidated Balance Sheet" does not reflect their assets or liabilities except to the extent of the long term liabilities to be recovered from general taxation, and of amounts due to or from those entities. The "Consolidated Statement of Operations" does not reflect their revenues and expenditures except to the extent of the municipality's contribution to those entities.

Those entities which are not consolidated are as follows:

The Allenton Regional Home for the Aged
The Allenton Joint Community Centre

(iv) Trust Funds

Trust funds and their related operations administered by the municipality are not consolidated, but are reported separately on the "Trust Funds Statement of Continuity" and "Balance Sheet".

(b) Basis of Accounting

(i) Sources of financing and expenditures are reported on the accrual basis of accounting with the exception of principal charges on long term liabilities which are charged against operations in the periods in which they are paid. The principal charges are not accrued for the period(s) from the date(s) of the latest installment payment(s) to the end of the financial year.

(ii) The accrual basis of accounting recognizes revenues as they become available and measurable; expenditures are recognized as they are incurred and measurable as a result of receipt of goods or services and the creation of a legal obligation to pay.

(iii) Capital Outlay Financed by Long Term Liabilities and to be Recovered in Future Years

The historical cost and accumulated depreciation of fixed assets are not reported for municipal purposes. Instead the "Capital outlay financed by long term liabilities and to be recovered in future years", which represents the outstanding principal portion of unmatured long term liabilities for municipal expenditures or capital funds transferred to other organizations, is reported on the "Consolidated Balance Sheet".

(iv) Long-term liabilities include debentures issued in United States currency, recorded at the exchange rates prevailing when the proceeds in U.S. funds were received. Gains and losses on foreign currency transactions are charged to operations when they are realized.

2. Contributions to Unconsolidated Joint Boards

Further to note 1 (a) (iii), the assets and liabilities of unconsolidated joint boards have not been consolidated and are not reported on the "Consolidated Balance Sheet", except to the extent of the long term liabilities to be recovered from general taxation, and of amounts due to or from those boards.

The operations of these joint boards have also not been consolidated. The "Consolidated Statement of Operations" includes only the following contributions made by the municipality to those boards:

	<u>1983</u>	<u>1982</u>
The Allenton Regional Home for the Aged	\$ 60,000	\$ 45,000
The Allenton Joint Community Centre	<u>20,000</u>	<u>16,000</u>
	<u>\$ 80,000</u>	<u>\$ 61,000</u>

The municipality is contingently liable for its share, which is approximately 40% and 80% respectively, of the accumulated deficits to the end of year for these boards:

	<u>1983</u>	<u>1982</u>
The Allenton Regional Home for the Aged	\$ 32,017	26,942
The Allenton Joint Community Centre	<u>36,000</u>	<u>8,000</u>
	<u>\$ 68,017</u>	<u>\$ 34,942</u>

The municipality is also contingently liable for its share, which is approximately 40% and 80% respectively, of the long term liabilities issued by other municipalities for these boards.

	<u>1983</u>	<u>1982</u>
The Allenton Regional Home for the Aged	\$ 100,000	\$ 120,000
The Allenton Joint Community Centre	<u>120,000</u>	<u>60,000</u>
	<u>\$ 220,000</u>	<u>\$ 180,000</u>

3. Trust Funds
Trust funds administered by the municipality amounting to \$1,157,404 (1982 \$1,030,067) have not been included in the "Consolidated Balance Sheet" nor have their operations been included in the "Consolidated Statement of Operations".
4. Investments
The total of investments of \$295,750 (1982 \$140,000) recorded on the "Consolidated Balance Sheet" at cost, have a market value of \$310,000 (1982 \$137,600) as at the end of the year.
5. Liability for Past Service Provision of Pension Agreements
Under the past service provision of pension agreements, the municipality is obligated at December 31, 1983 for an amount of approximately \$80,000 (1982 \$65,000) as established for the plans. No provision has been made for this liability. This liability will be funded by annual installments of \$20,000 each for the next four years.
6. Liability for Vested Sick Leave Benefits
Under the sick leave benefit plan, unused sick leave can accumulate and employees may become entitled to a cash payment when they leave the municipality's employment.

The liability for these accumulated days, to the extent that they have vested and could be taken in cash by an employee on terminating, amounted to \$528,728 (1982 \$516,296) at the end of the year. An amount of \$69,293 (1982 \$60,293) has been provided for this past service liability and is reported on the "Consolidated Balance Sheet". An amount of \$9,000 (1982 \$9,000) has been provided for the current year and is reported on the "Consolidated Statement of Operations". The balance of this liability will be funded by annual installments of \$50,000 each for the next ten years.

7.	<u>Net Long Term Liabilities</u>	<u>1983</u>	<u>1982</u>
	(a) The balance of net long term liabilities reported on the "Consolidated Balance Sheet" is made up of the following:		
	• Total long term liabilities incurred by the municipality including those incurred on behalf of school boards, other municipalities and municipal enterprises and outstanding at the end of the year amount to	\$17,679,832	\$15,101,528
	• In addition, the municipality has assumed responsibility for the payment of principal and interest charges on certain long term liabilities issued by other municipalities. At the end of the year, the outstanding principal amount of this liability is	3,017,914	3,112,015
	• Of the long term liabilities shown above, the responsibility for payment of principal and interest charges has been assumed by unconsolidated local boards, municipal enterprises and utilities, and other municipalities. At the end of the year, the outstanding principal amount of this liability is	(6,219,057)	(5,912,619)

• The total value of sinking funds and the balance in the Ministry of the Environment Debt Retirement Fund which have been accumulated to the end of the year to retire the outstanding long term liabilities included above, amount to	(2,000,000)	(1,500,000)
• Net long term liabilities at the end of the year	<u>\$ 12,478,689</u>	<u>\$ 10,800,924</u>

(b) Of the net long term liabilities reported in (a) of this note, \$4,250,000 in principal payments are payable from 1984 to 1988, \$5,000,000 from 1989 to 1993, and \$3,228,689 thereafter and are summarized as follows:

	<u>1984 to 1988</u>	<u>1989 to 1993</u>	<u>1994 and thereafter</u>
from general municipal revenues	\$3,250,000	\$ 3,800,000	\$2,528,689
from consolidated municipal enterprises	<u>1,000,000</u>	<u>1,200,000</u>	<u>700,000</u>
	<u>\$4,250,000</u>	<u>\$ 5,000,000</u>	<u>\$3,228,689</u>

(c) Included in "Net long term liabilities" on the "Consolidated Balance Sheet" is an amount of \$300,000 (1982 \$330,000) payable in United States currency which was converted into Canadian dollars at the rate of exchange prevailing when the liability was incurred. If the liability is converted into Canadian dollars at the exchange rate prevailing at December 31, 1983, the liability would be decreased by \$15,000 (1982 increased by \$20,000).

(d) Approval of the Ontario Municipal Board has been obtained for the long term liabilities reported on the "Consolidated Balance Sheet".

8. Municipal Fund Balances at the end of the year

(a) The total on the "Consolidated Statement of Operations" of municipal fund balances of \$346,529 (1982 deficit of \$391,831) at the end of the year is comprised of the following:

	<u>1983</u>	<u>1982</u>

	<u>\$1,785,725</u>	<u>\$1,587,297</u>

The charges for long term liabilities assumed by the non-consolidated entities are not reflected in these statements.

11. Contingent Liabilities

The municipality is contingent liable for long term liabilities with respect to those for which the responsibility for the payment of principal and interest has been assumed by other municipalities, school boards and unconsolidated local boards, municipal enterprises and utilities. The total amount outstanding as at December 31, 1983 is \$6,219,057 (1982 \$5,912,619) and is not recorded on the "Consolidated Balance Sheet".

12. Contractual Obligations

(a) Long Term Leases

By agreement the municipality is leasing office space for a ten year period from April 15, 1977 to April 15, 1987. The base rent per year is \$18,000 with an escalator clause to compensate for increased maintenance and utility costs over the base year of 1977.

(b) Water and Sanitary Sewage Systems:

Under the Regional Municipality of Allenton Act, the Region has assumed the responsibility of the former local municipalities for agreements with the Ontario Water Resources Commission and Ministry of the Environment. The previous agreements between local municipalities and the Ontario Water Resources Commission and Ministry of the Environment are being renegotiated at the present time to reflect the change in legislation and operations.

REGIONAL MUNICIPALITYOFALLENTONAUDITOR'S REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Regional Municipality of Allenton:

I have examined the balance sheet of the trust funds of the Corporation of the Regional Municipality of Allenton as at December 31, 1983 and the statement of continuity of trust funds for the year then ended. My examination was made in accordance with generally accepted auditing standards, and accordingly included such tests and other procedures as I considered necessary in the circumstances.

In my opinion, these financial statements present fairly the financial position of the trust funds of the Corporation of the Regional Municipality of Allenton as at December 31, 1983 and the continuity of trust funds for the year then ended in accordance with the accounting principles prescribed for Ontario Municipalities applied, on a basis consistent with that of the preceding year.
